

VOLUNTEER RECRUITMENT

Data Collection Times - Summary

Dates and times for data collection are based on the National Bike and Pedestrian Documentation Project

MANUAL COUNTS

Conduct 10 hours of manual counts for calibration before December 2017
Ideally, 8 hours of your manual counts should be during the intercept collection periods (two weekend hours and two weekday hours in both May and Sept)

INTERCEPT SURVEY

Conduct 8 total hours of surveying (two weekend hours and two weekday hours May 13-21, 2017 and Sept 16-24, 2017). Intercepts can be conducted based on your trail highest use times. Use counter data to determine your highest use times. Recommended times are 5-7 pm Tues/Wed/Thurs, 12-2 pm Saturday.
